

David's 2023 Christmas Quiz

Past Times !

Is your memory as long as ours?

Answers, one for each letter of the alphabet, relate to past times and each one corresponds to a picture. Two answers are entered to give a start.

The 26 letters entered form a grid as can be seen, and seven mostly seasonal words will be found hidden in rows and columns. The pair of words in the 4th column is a European greeting.
