

David's 2025 *Bonus* Christmas Quiz !

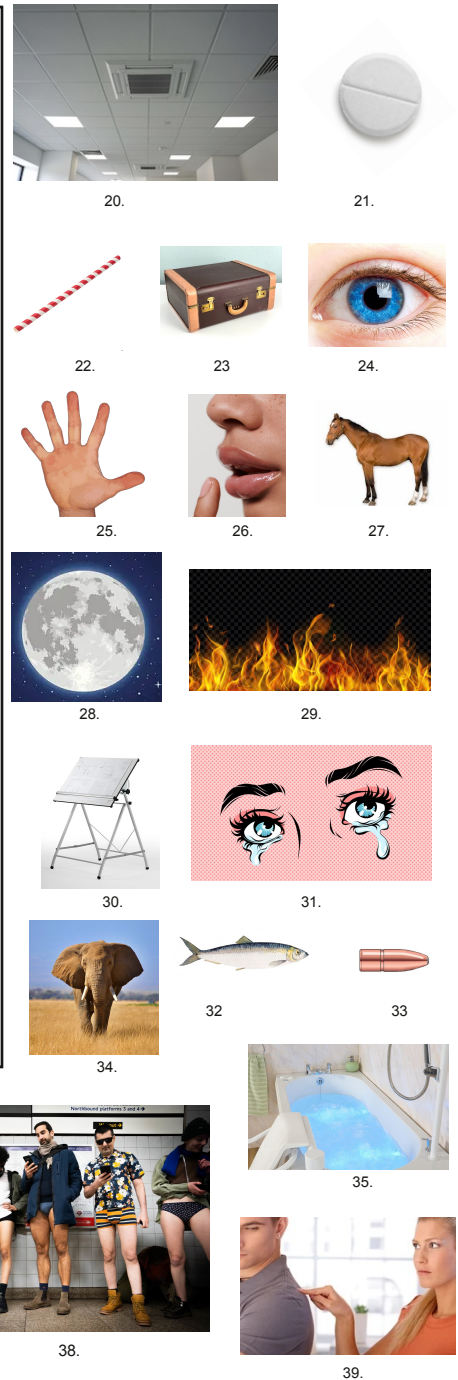

The Icing on the Cake!

It's simple - actually just a Piece of Cake! Each definition below is associated with a pair of pictures which suggest a well-known idiom. Thus "Force yourself" is "Bite the Bullet" (17,33). Two of the pictures are used twice. And one picture is left over - but can be used to extend one idiom. To help you, the first picture of each pair is on the left and the second on the right.

- A. Force Yourself "Bite the Bullet" (17,33)
- B. Final Difficulty
- C. Cherished.....
